# Memorial Pain Assessment Card

## 4 Mood Scale

Worst mood — Best mood

Put a mark on the line to show your mood.

## 2 Pain Description Scale

Moderate
Just noticeable
Strong
No pain
Mild
Excruciating
Severe
Weak

Circle the word that describes your pain.

## 1 Pain Scale

Least possible pain — Worst possible pain

Put a mark on the line to show how much pain there is.

## 3 Relief Scale

No relief of pain — Complete relief of pain

Put a mark on the line to show how much relief you get.

Fold page along broken line so that each measure is presented to the patient separately in the numbered order.
