## Application Form

To begin your application, click the "Open" button in the Application box. This will take you into the application form.

You will see a set of instructions at the top of the page. **Please read these instructions carefully before continuing.** Note that you can click "Save Draft" at the top or bottom of the page at any time to save your progress and return to the application at a later time.

At the top of the application form, you will be asked to answer a set of eligibility questions. If you answer affirmatively and meet all the eligibility criteria, you will automatically be directed into the PA Foundation Scholarship application. You must complete this application first. If you enter any

“no” responses, and thus do NOT meet the eligibility criteria, you will see a message that says “Based on your responses, you are not eligible to apply for PA Foundation scholarships at this time.” You will not be able to continue in the application process.

If you are eligible to apply, all of the sections of the application form will be visible. Go through the application and enter information as required (outlined below).

The PA Foundation Scholarship application includes the following sections:

- **Financial Information**

- You will be asked to provide the following information and answer the following questions: Marital Status; Are you currently employed?; Do you claim any dependents on your taxes?; Are you listed as a dependent for tax purposes by a parent(s) or guardian(s)?
  - Funding Available for One Academic Year:  
Applicant’s Total Estimated Annual Income; Applicant’s Estimated Annual Savings for PA School; Expected Annual Family Contribution to Applicant’s PA School Education; Annual Tuition Assistance from Grants or Fellowships; Annual Tuition Assistance from Other Scholarships; Annual Tuition Assistance from Loans; Other Available Financial Resources for Current Academic Year
  - Expected PA School Expenses for One Academic Year:  
Expected Annual PA School Tuition; Expected Annual Books, Supplies, and Fees; Expected Annual Program-Related Transportation Costs; Expected Annual Housing Expenses; Expected Annual Medical Insurance Costs

NOTE: Please pay careful attention to the questions and confirm the information you enter in each field is accurate. Applicants who enter incorrect data (for example, total PA school tuition rather than tuition only for the current academic year) will be disqualified.

- **Essays**

- There are two essay prompts. Each essay has a maximum word limit of 500 words. The prompts are:
  - 1) Please write an essay concerning your decision to become a PA and what you expect to accomplish as a PA, including any specific clinical interest areas you may have. What do you hope to do as a PA?
  - 2) Please describe your involvement in relevant volunteer and/or community service activities. Do not include mentoring, shadowing, and/or paid activities. Why did you choose these particular activities, and what do they mean to you?

NOTE: Essays will be evaluated for technical quality (including spelling, grammar, and other technical components) in addition to content quality. **Do not include personally identifiable information in your response (i.e. your name, address, academic institution, etc.).** If applying to other PA Foundation scholarships, do not duplicate essay responses. Duplication of responses will result in the duplicate response receiving the lowest possible score.

After the Essay section, you will see text that says, “This concludes the PA Foundation Scholarship application.”

You will then see a section labeled “Additional Scholarships,” with a question that asks, “Which of the following additional scholarships would you like to apply for?” **You may select as many scholarships as you wish to apply for.** Hold CTRL (or Command) to select multiple options.

## Recommendation Request

You are required to have a completed recommendation from your PA program director or other designated program administrator in order for your application to be considered complete.

To fill out the recommendation request, click the “Open” button in the Recommendation Request box on the homepage.

The screenshot shows a web interface titled "Application" with a "Submit" button in the top right. Below the title, there is explanatory text: "When every step in this submission is complete, the 'Submit' button to the right will become green and clickable." and "The submission is not fully submitted until you click the green 'Submit' button. Once you click 'Submit' the submission will no longer be editable." Below this, there are two boxes. The first box is titled "Application" and has an "Open" button on the right. The second box is titled "Recommendation Request" and also has an "Open" button on the right. Both boxes contain the text: "The button will update to reflect how you can interact with this step."

You will be taken into a Recommendation Request screen. Click the “+ New Request” button.

The screenshot shows a "Recommendation Request" screen with a "Close" button in the top right. If you have not yet received this notification, you may remind your recommender using the 'Remind' button below." Below this, there are fields for "Minimum required: 1" and "Maximum allowed: 1", a "Show: All" dropdown menu, and a green "+ New Request" button. Below these fields, there is a large empty box with the text "You have not added any requests" centered inside.

You will be taken into the Recommendation Request form. Fill in the required fields.

The screenshot shows a "Recommendation Request" form. It has the following fields: "Applicant Name \*", "Applicant Email Address \*", "Recommender Name \*", "Recommender Email Address \*", "Recommender Title (PA Program Director, PA Program Advisor, etc.) \*", and "Message from applicant to recommender: \*". Below the form, there is explanatory text: "By clicking 'Send,' an email will be sent to your PA program director or designated program administrator instructing them to complete the recommendation request. It is your responsibility to follow up with your recommender to confirm they have received the recommendation request email. You can also use the 'Remind' button on the homepage to send them a reminder to complete the request. If the recommendation is not completed by the cycle deadline, your application will be marked as ineligible." At the bottom right, there are buttons for "Delete", "Save Draft", "Send", and "Close".

Read the information at the bottom and click "Send" when you are ready to send the request to your recommender. By clicking "Send," an email will be sent to your designated recommender asking them to complete the request (a short online form – no letter required).
